WEEKLY REPUBLICAN—1907.  
DAILY PUBLIC LEDGER—1899.

MAYSVILLE, KY., TUESDAY, APRIL 28, 1903.

ONE COPY—ONE CENT.

IF PA COULD BE A BOY.  
I've often heard my papa say  
He wish he was a boy;  
That life would be one grand sweet song.  
With nuthin left but joy.  
If that is what he really thinks  
I wish he'd take a try.  
An' if he had to keep it up  
I bet that pa would die.  
He couldn't wallow round in bed  
Till it was after eight.  
An' then get up as mad as hops  
'Cause ma had called him late.  
He couldn't spit the coffee out  
An' call it planned slush.  
An' say the eggs weren't fit to eat,  
An' ask who burnt the mush.  
For if he tried such things as these  
Ma'd yank him by the hair.  
An' fix him so he'd rather stand  
Than sit upon a chair.  
He couldn't come home 'tate at night  
An' then begin to scold.  
Because he'd made us wait so long  
The grub had gotten cold.  
He couldn't shove his plate away  
An' say he wasn't no hog;  
He couldn't swear, he couldn't smoke,  
He couldn't kick the dog.  
He couldn't rush out to the club  
An' have a little game.  
An' then come home in such a way  
He didn't know his name.  
He couldn't knock off work nex' day  
An' lie around in bed.  
While ma cracked up great chunks of ice  
An' packed it round his head.  
If he could be a boy again  
I think it might suit ma.  
But you can bet your button boots  
It wouldn't do for pa!

## QUARANTINE "RAISED"

Mt. Olivet Will No Longer Prevent  
Travel To That Town.

By order of the Executive Committee of the  
State Board of Health, the "quarantine" estab-  
lished by Mt. Olivet against visitors from this  
city has been "raised."

THE LEDGER sincerely hopes that some of the  
representative citizens of that town will now  
come to Maysville and learn for themselves how  
they were imposed upon by unscrupulous liars  
who nearly trebled the number of deaths and  
more than quadrupled the number of cases dur-  
ing the recent smallpox visitation.

To make their stay interesting, THE LEDGER  
will give to each and every visitor a \$10 bill  
for each and every misstatement he can find  
that this paper made during the prevalence of  
the disease.

There's no danger now; so come right along.

## THAT'S THE LEDGER.

The Rev. T. DeWitt Talmage says—  
"A newspaper whose columns over-  
flow with the advertisements of busi-  
ness men has more influence in at-  
tracting attention to and building up a  
city or town than any other agency  
that can be employed. People go where  
there is business. Capital and labor  
will locate where there is an enterprising  
community. No power on earth is so  
strong to build up a town as newspa-  
pers well patronized, and this power  
should be appreciated."

## How to Ward Off an Attack of Rheumatism.

"For years when springtime came on and I  
went into gardening, I was sure to have an attack  
of rheumatism and every attack was more severe  
than the preceding one," says Josie McDonald, of  
Man, Logan county, W. Va. "I tried every-  
thing with no relief whatever, until I procured  
a bottle of Chamberlain's Pain Balm, and the  
first application gave me ease, and before the  
first bottle was used I felt like a new person.  
Now I feel that I am cured, but I always keep a  
bottle of Chamberlain's Pain Balm in the house,  
and when I feel any symptoms of a return I soon  
drive it away with one or two applications of this  
ointment." For sale by J. Jas. Wood & Son,  
Druggists.

## \$100 Reward—\$100.

The readers of this paper will be pleased to learn  
that there is at least one dreaded disease that  
science has been able to cure in all its stages and  
that is catarrh. Hall's Catarrh Cure is the only  
positive cure now known to the medical profes-  
sion. Catarrh being a constitutional disease, re-  
quires a constitutional treatment. Hall's Cat-  
arrh Cure is taken internally, acting directly  
upon the blood and mucous surfaces of the system,  
thereby destroying the foundation of the disease,  
and giving the patient strength by building up the  
constitution and assisting nature in doing its work.  
The proprietors have so much faith in its curative  
powers that they offer One Hundred Dollars for  
any case that it fails to cure. Send for list of tes-  
timonials. Address,

## A BIG CIRCUS!

Once upon a time there was a great circus in Coatsville, and the circus had such a great reputation that country people many miles around  
came to see it; in fact, a great many that came had a hard time to get standing room. This circus always played at Coatsville, and of course the  
merchants of Coatsville had big trade. Around Coatsville there were a great many little country towns, and they found that their little circus did  
not bring the crowds or even keep the people from going to Coatsville, so these little places had a meeting and decided to pass laws to keep the  
people home, and placed guards with a big gun on all streets and put a big sign on the gun that read, "Don't go to Coatsville, for we have a circus  
of our own that needs booming!" but the people went through the fields. MORAL—See that your own circus is all right and you need not bother  
about others.

SOME day, perhaps, it will be known who actually fired the shot that killed GOEBEL; and the name of the man will not be JIM HOWARD.

THE Democrats who are denouncing the "Machine" now thought it was the proper thing so long as it was applied to Republicans.

ADDRESSING a meeting of Anarchists in New York City JOHN MOST, who was recently released after having served a term of imprisonment on Blackwell's Island, declared that JOHN MITCHELL was either a fool or knave for not snubbing the Anthracite Strike Commission.

"As to Kings," he said, "there is an idiot on the throne of Russia, and in England they have an idiot for a King; in Italy the ghosts of Popes play high jinks, but what is a Pope compared to a MALATESA or to a BRESCHI? Anarchists are the only pure, noble, gentle and high people in the world."

And yet MOST and his dastardly cut-throats say that this is not a free country!

Mr. Davis, an American, who has expended considerable sums in exploring works near Thebes, Egypt, has found a splendid chariot in the tomb of King Thothmes.

From 1870 to 1900 the agricultural productions of the United States increased 92 per cent. and the exports 131 per cent. During the same time the products of manufactures increased 209 per cent. and the exports 538 per cent.

The total wealth of the world has been estimated at \$400,000,000,000. Of this total the greater part is owned by Americans and Europeans. The United States has somewhere near \$100,000,000,000, or about one-fourth of the whole.

## A GREAT RECORD.

Hard to Duplicate It in Maysville.

Scores of representative citizens of Maysville are testifying on the following subject. Such a record of local indorsement is unequalled in modern times. This public statement made by a citizen is but one of the many that have preceded it and the hundreds that will follow. Read it:

Mrs. W. F. Woodward, residing at West End near Pogue's Distillery, says: "Pains in the back and other evidences of a disturbed condition of the kidneys were quickly and thoroughly cured by the use of Doan's Kidney Pills which I got at J. Jas. Wood & Son's Drugstore corner of West Second and Market streets. There is no reason why ladies should suffer from backache and kindred troubles when such a reliable and effective preparation can be had."

AFTER swearing now that he swore to any number of lies two years ago, HENRY E. YOUTSEY has displaced the Honorable GEORGE FRANKLIN WEAVER as boss purveyor in the Goebel murder "conspiracy" trials. Even were YOUTSEY to now "confess" to that which most people have come to believe,—that he is the man who shot GOEBEL,—it would require extraordinarily strong corroborative proof to convict him, even if TOM CAMPBELL would cease his man hunt long enough to believe it.

Your cousin Johnny Bull isn't to be bluffed after all, at least not by the Mad Mullah of Somaliland. One day last week old Mr. Mullah got real mad at Colonel Bull's soldiers for interfering with his uncivilized customs, and straightway his "spearmen" to the number of several thousand proceeded to kill and otherwise murder all the officers and 170 men whom they found away from the British camp. The next day, however, Mr. Bull got mad, and before the spell wore off there were 2,000 of Colonel Mullah's spearmen permanently out of business. And now the Mad Mullah is madder than ever. All this occurred near Gumburru, Westward of Galadi—if you know where they are.

## Political Pickings

VERY FALSE PROPHECY.

Chicago Journal.

Mr. Bryan is hardly in a position to dictate a platform to his party. Twice defeated on issues of his own making, he stands before the country today as a discredited leader and false prophet. None of the dire things he foresaw has come to pass, but instead, years of prosperity of which he had no conception. He foretold oppression, ruin and slavery for the workingman if the Gold Standard should be adopted, but never in history has the workingman been better off, more independent and in the receipt of higher wages.

CHRONIC COUGHS

OFTEN ARE THE BEGINNING  
OF CONSUMPTION.

Stop Your Cough and Avoid  
Future Trouble.

We Will Guarantee That We  
Can Do It For You

Our Vinol is the Remedy for all  
Pulmonary Affections.

Vinol is a preparation that is delicious to take.

It consists of a delicate table wine in which has been dissolved the active curative principles that are found in the liver of the live cod, and to which cod-liver oil owes its reputation as a remedy for coughs, colds and all wasting diseases.

If there is any one who has a cough, a tendency to take cold easily, or a dread of consumption, we would like to have them call and permit us to explain what we know about Vinol and why we believe it will cure all such troubles more surely and quickly than any other remedy ever given to the public.

Following is a letter which has just come to hand and which shows how beneficially Vinol acted in one instance: "I had a severe cough of long standing. I was advised by friends to give your Vinol a trial, which I did. Before taking it I had tried many other remedies for coughs without obtaining any relief. With Vinol it was different. I have now used four bottles of it, and am pleased to say my cough has almost entirely left me. I have been decidedly benefited by its use in every way. Very truly yours."—H. E. SMALL, Boston, Mass.

Vinol acts beneficially upon the digestive organs, enabling them to obtain for themselves the elements from which are made firm healthy flesh tissue, sound muscle, strong bone structure and pure blood.

We recommend Vinol unreservedly.

If you will call on us at our store, we will tell you why we have such faith in this new wine of cod-liver oil.

We guarantee that if you suffer from any symptoms that indicate troubles for which we know Vinol is intended, we will refund to you your money if you don't find Vinol helps you.

A TIME OF DANGER!

Thousands in Peril From Blood  
Diseases and Nerve Trou-  
bles Developed During  
the Winter Months.

Paine's Celery  
Compound

The Great Spring Blood Purifier,  
Nerve Bracer and Health  
Builder.

Paine's Celery Compound is the wonder of the age! Its marvelous virtues are discussed amongst interested medical men, and its cures are talked of at every fireside.

As a spring health giver, Paine's Celery Compound stands far ahead of all other known remedies; it has no worthy competitor in the vast field of medicine.

To a large extent, the present popularity of Paine's Celery Compound is due to the fact that it has accomplished some of its most astonishing cures in the spring season—a time when men and women usually complain of ill health, loss of vitality, tired feelings—a time when people feel dull, listless, despondent, and ambitious.

Today there are thousands of business men, mechanics, farmers, and dear wives and mothers, too, who, though able to walk around, are, nevertheless, sadly "out of health."

At this season, Paine's Celery Compound is the great health restorer and strength giver for the "out of health" people—for those who are perilously nearing some organic disease. Paine's Celery Compound used at once, will quickly remove every trace of poison from the blood, brace up the weak nerves, build up the tissues, and tone the digestive organism.

If you, dear reader, feel that your health is not as robust and vigorous as it should be, let us honestly suggest the use of Paine's Celery Compound that has so wonderfully blessed your neighbors and friends. Be assured, "it makes sick people well."

A Sweet Breath

Is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. By the use of Kodol I began to improve at once, and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like." Kodol digests what you eat and makes the stomach sweet. J. Jas. Wood & Son.

HENDRICK WITHDRAWS.

Beckham Now Without Opposition  
For Nomination for Governor.

The Hon. John K. Hendrick has withdrawn from the race for the Democratic nomination for Governor, leaving Governor Beckham without opposition.

In a card to the public Mr. Hendrick said he believed that it was impossible for him to win, being unable to visit the majority of the counties, and he did not wish to do anything that might injure the party. He took the step after a conference with several of his leading supporters.

The entrance fee of Mr. Hendrick will be returned to him and Governor Beckham will put up \$2,500, the assessment to enter the Democratic State Primary.

Mr. Hendrick has cancelled all of his engagements to speak, and notified the printer not to place his name on the ballots.

Due Notice Is Served.

Due notice is hereby served on the public generally that DeWitt's Witch Hazel Salve is the only salve on the market that is made from the pure unadulterated witch hazel. DeWitt's Witch Hazel Salve has cured thousands of cases of piles that would not yield to any other treatment, and this fact has brought out worthless counterfeits. Those persons who get the genuine DeWitt's Witch Hazel Salve are never disappointed, because it cures. J. Jas. Wood & Son.

GRAND DISPLAY OF OUR RESOURCES.

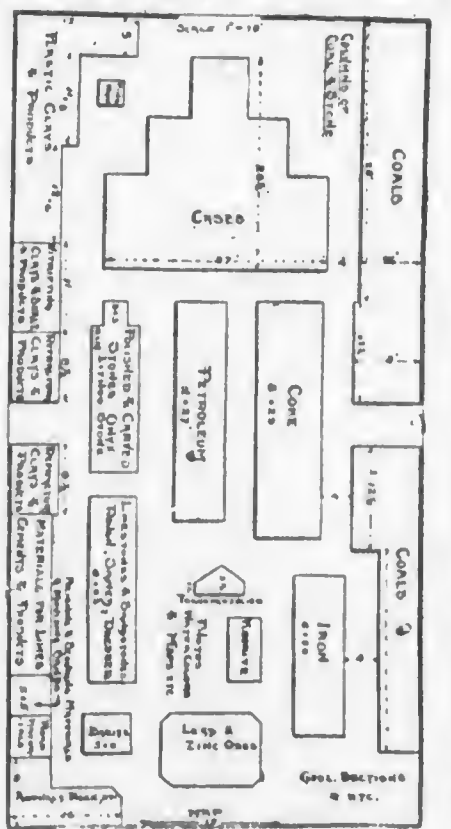

Six Thousand Square Feet of Space Secured For Kentucky's Mineral Exhibit in the Mines and Metallurgy Building at the Exposition.

The floor plan of Kentucky's mineral exhibit, to be installed in the Mines and Metallurgy building at the exposition in St. Louis next year, is made public this week by the Kentucky Exhibit association. It was drawn by Professor C. J. Norwood, state inspector of mines, who is chief

C. J. NORWOOD,  
Chief Counselor to Mineral Exhibit Committee, Lexington.

counselor to the mineral exhibit committee of the association, and has been approved by the chairman of the committee, former Mayor Chas. P. Weaver of Louisville. It has been conceded by everyone with the slightest knowledge of Kentucky's mineral resources that the Blue Grass state is wealthier in this regard probably than any other commonwealth in the Union. This is a fact that is to be brought prominently to the attention of thousands and thousands of visitors at the exposition. A study of the floor plan will show that every variety of mineral is to be given a good display. Chairman Weaver has surrounded himself with expert committeemen on these minerals and Kentuckians may rest assured that the best exhibit ever made of her wealth beneath the surface will be found at the St. Louis fair. The floor plan shows only 5,000 feet of

space. In addition to this the association has secured 1,000 square feet to be used in other parts of the Mines and Metallurgy building, and herein will be installed duplicate exhibits of coal, crude oil, clays, asphalt, etc.

ONE EXHIBIT TO COST \$10,000.

Kentucky will have the distinction of installing one of the largest refrigerating machines to be shown at the World's fair. Mr. Gardner T. Voorhees, the refrigerating engineer and expert in charge of the refrigerating department at the exposition, was in Louisville a short time ago and invited the Henry Vogt Machine company to put in a 200-ton refrigerating machine at the fair. The invitation was accepted and a contract signed to that effect. A machine of 200 tons refrigerating capacity is about equivalent to a machine that will make 100 tons of ice each 24 hours. The Henry Vogt Machine company will expend \$10,000 in making this exhibit.

Good For Children.

The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of Cough, Croup and LaGrippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues. J. Jas. Wood & Son.

THE FARMER FAILS

In health just as does the city-man, and he fails commonly from the same cause, "stomach trouble." The farm is a wholesome place to live; the farmer's life is a healthy life; but no external advantages can overcome the effects of a diseased stomach. When the stomach and its allied organs of digestion and nutrition are diseased, the food eaten is imperfectly digested and assimilated, and the consequent loss of nutrition results in physical debility.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach, liver and other organs of digestion and nutrition, and enables the perfect digestion and assimilation of food. It builds up the body with sound flesh and solid muscle.

"I used ten bottles of Dr. Pierce's Golden Medical Discovery and several vials of his Pleasant Pellets a year ago this spring, and have had no trouble with indigestion since," writes Mr. W. T. Thompson, of Townsend, Broadwater Co., Montana. "Words fail to tell how thankful I am for the relief, as I had suffered so much and it seemed that the doctors could do me no good. I got down in weight to one hundred and twenty-five pounds, and was not able to work at all. Now I weigh nearly one hundred and sixty and can do a day's work on the farm. I have recommended your medicine to several, and shall always have a good word to say for Dr. Pierce and his medicines."

The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains; you lose, therefore accept no substitute for "Golden Medical Discovery."

Captain Dan Lacy died Saturday at his home in Newport. He was formerly Clerk on one of the Pittsburgh boats.

An answer to the challenge made by Captains W. B. Rodgers and Thomas M. Rees of Pittsburgh to test a regular sternwheel steamer and a screw propeller with a tow of coal in the harbor is expected today. Rivermen are anxious as to the outcome of the challenge.

The wickets at Herr's Island Dam in the Allegheny river are being raised for the first time this season and also for the first time permanently since the dam was constructed. It is expected that the work will be completed today, after which the Government employees will raise the Davis Island Dam wickets. Herr's Island Dam is in excellent shape, excepting a few of the wickets have been twisted by the tide and by boats running upon them. The locks are still operated by hand, but it is likely that steam power will be placed in before long. Some days have as many as forty boats passing through the locks, and in cases of this kind the hand power is not as rapid as the rail. There is equipment for steam, and the traffic in coal up stream and lumber down stream is becoming so heavy that quicker manipulation will be needed.

For liver troubles and constipation. There's nothing better in existence. Than Little Early Biscuits, the famous little pills. They always effect a cure and save doctor bills. ## REGULAR STEAM PLOW!

The Steamer Virginia Rips Up a Section of the Grade.

When the steamer Virginia was rounding to at the wharf a little after 10 o'clock last night she "got away" from the Pilot and Engineer in some manner not known.

She headed straight for the bank under a strong head of steam, and barely missing the ferry boat plowed her way into the edge-javed grade a distance of some fifteen feet, leaving a perfect model of her bow in the stone and earth.

Strange to say, she escaped damage, not even showing a leak.

It is safe to say there are not many boats that could successfully withstand such a shock.

A reward of \$100 has been offered for the recovery of the body of Henry Davis Collings, aged 16, who was drowned last Wednesday afternoon at Manchester.

The old American House in Ashland, which was nearly destroyed by fire a month or so ago, has been pulled down. This building was erected about forty-five years ago by John Worthington, father of former Lieutenant-Governor W. J. Worthington of Greenup, but recently it had been the property of the Hon. William H. Castner of Rush.

## ITCHING ECZEMA

And Other Itching, Burning and Scaly Eruptions.

Instant Relief and Speedy Cure Afforded by

Cuticura Soap, Ointment and Pills When All Else Fails.

COMPLETE TREATMENT, \$1.00.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalled head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants and the anxiety of worn-out parents, as in milk crust, tetter and salt rheum, all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Pills are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy, have made them the standard skin cures and humour remedies of the civilized world.

Bathe the affected parts with hot water and Cuticura Soap, to cleanse the surface of crusts and scales and soften the thickened cuticle. Dry, without hand rubbing, and apply Cuticura Ointment freely, to allay itching, irritation and inflammation, and soothe and heal, and, lastly, in the severer forms, take Cuticura Resolvent Pills, to cool and cleanse the blood. A single set is often sufficient to cure the most torturing, disfiguring and humiliating skin, scalp and blood humours, with loss of hair, when all else fails.

# CLOTHING TALK!

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.

OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours.

Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.
